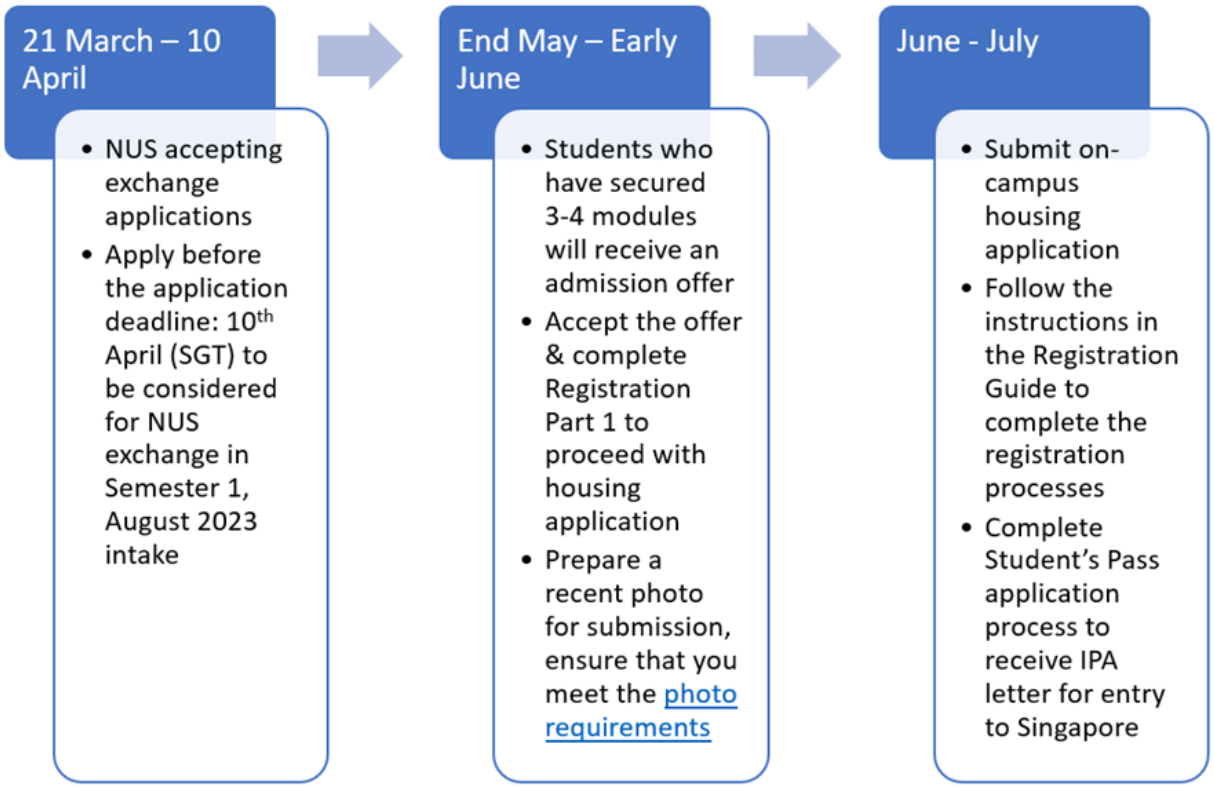
Overview of NUS Exchange Application Process



Nomination due:	Exchange application period:	Modules Selection
20 March 2023 Please provide your students' details using attached nomination sheet and send it to: weilin@nus.edu.sg Note: · Please **include your students' university email address** in your nomination and inform them to **apply using the same email** so that we can retrieve their application record from our online application portal and process their exchange application promptly.	**21 March – 10 April 2023** Please inform your nominated students to submit an exchange application from 21st March to 10th April at: https://myapplications.nus.edu.sg/ Note: · Students are to **register** a new user account **using their university email address** (instead of their personal email) · Select "**University-level**" for their specialisation/level of study in their application · Students need to **prepare 8 module choices** for submission with their application · Students who wish to be considered for **on-campus housing** have **to**	Refer to the **NG Module List** for the list of modules open to exchange students *(NUS Semester 1, 2023 modules will be updated closer to the start of Semester 1 exchange application)* Note: · Students are to ensure that they **meet the pre-requisites** for the modules they apply for. · Undergraduate students should select Level 1000 – 3000 modules. Please note that Level 4000 honours modules have very limited quota, so it is highly competitive to enrol into these modules. We strongly recommend exchange students to consider the Level 1000 – 3000 modules. Undergraduate students will not be considered for Level 5000 – 6000 graduate modules. · Business and Law modules are limited and only offered to selected exchange students nominated through our Business and Law-specific agreements. Students nominated through the general University-wide or other faulty agreements will not be considered for Business and Law modules.

	indicate their interest in their application · Refer to this link for more info.	· Module enrolment is **subject to availability and demand**, students should have **more flexibility** in their module selections as there's no guaranteed enrolment into any modules. We recommend that students **prepare some back-up modules** in the event of oversubscription or timetable clashes. · Refer to this link for more info.
Immigration & Insurance Travellers who fulfil the public health requirements listed here can enter Singapore without testing and quarantine. Exchange students need to **fulfil the vaccination requirements for holding a Student's Pass**. Refer to the question*: "What combinations of vaccine doses do I need to fulfil the vaccination requirements for Long Term Pass Holders?"* at the Singapore's Ministry of Health website.	**Student's Pass** NUS Registrar's Office will send the Student's Pass application instructions to students who have accepted the NUS admission offer. Note: · Students need to login to Singapore Immigration ICA's application portal to complete their Student's Pass application • Prepare the documents required in advance • Monitor the application status regularly as you will be required to upload documents and make payments at different junctures of the application process on the portal within the	**Accommodation** On-campus accommodation is **limited and not guaranteed**. Exchange students should **seek off-campus accommodation options early** as there is increasing demand from international students in Singapore.
